

# Simple Plan #2 - Create a 2 Star Director Factory

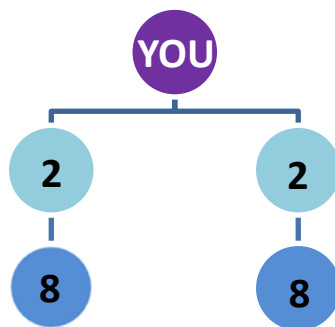

## How FAST do you want extra money?

You need 20 partners left and 20 partners right to earn \$1,500 a month residual income. Enroll 4 Partners that purchase the Travel Club Business System for \$125 and you qualify as a Director. You are earning \$4.10 a day starting the day you enroll your 3<sup>rd</sup> partner. \$4.10 a day equals \$125 a month. You are earning as much as you are spending.

Place 2 partners on the left team and place 2 partners on right team.

Help your 4 new partners enroll their 4 new partners. You now have 10 partners on your left team and 10 partners on your right team. You only need 10 new partners per leg to accomplish your goal of \$1,500 a month residual income!

Help the 8 new partners duplicate down another level, and you will far exceed the number required to reach your goal of 20 left and 20 right. Continue to follow the pattern, and you will build a solid and stable business. Remember, you only need 10 new partners on your left team and 10 new partners on your right team to hit the magic number of 20 left and 20 right.

**Finish The Job easily:** Get 3 of the 8 new partners on each team to enroll 4 new partners and you will reach your goal, OR get 5 of the 8 new partners on each team to enroll only 2 each, and you are there, OR get 2 of the 8 new partners to get 2 new partners, and 6 others get 1 new partner each, and you are there. You have many options when you commit to getting your 4 new partners and help them get their 4 new partners. **You can control 2 levels of new partners!**

LEFT TEAM			RIGHT TEAM		
Days	NEW Partners	Totals	Days	NEW Partners	Totals
?	2	2	?	2	2
?	8	10	?	8	10
?	32	42	?	32	42

You can earn up to \$3,200 A DAY, which is \$96,000 a month, \$1,152,000 a year. It all starts with you sharing the plan and enrolling 4 partners.
