

Simple Plan #2 - Create a 2 Star Director Factory

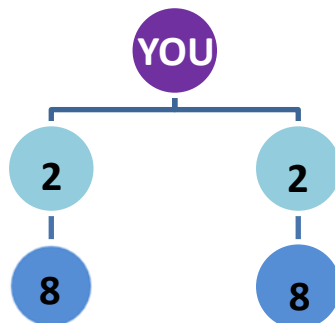

How FAST do you want extra money?

You need 25 partners left and 25 partners right to earn \$1,500 a month residual income. Enroll 4 Partners that purchase the Platinum Travel Club Business System for \$249.95 and you qualify as a Director. You are earning \$4.10 a day starting the day you enroll your 3rd partner. \$4.10 a day equals \$125 a month. You are earning as much as you are spending and you are better than free, because you also are getting a Freecation every year!

Place 2 partners on the left team and place 2 partners on right team. (one directly below the other)

Help your 4 new partners enroll their 4 new partners. You now have 10 partners on your left team and 10 partners on your right team!

Help the 8 new partners duplicate down another level, and you will far exceed the number required to reach your goal of 25 left and 25 right. Continue to follow the pattern, and you will build a solid and stable business.

Finish The Job easily: You can easily control 2 levels of new partners if everyone is plugged into the system and committed to win!

?	32	42	?	32	42

CONGRATULATIONS 2 STAR! You are now a 2 Star Director, earning \$1,500 a month, which is \$18,000 a year. You will be invited to the next 2 Star event, where P2S will put you in an amazing 5 Star hotel, treat you to dinner, take you to an amazing Las Vegas show, and give you a Championship Ring. 2 Star Director is the gateway to creating wealth with P2S Travel. (This does not show the coded \$100 Fast Start Bonuses nor the Cab bonuses!)

The Key is to get your 4 partners ASAP, make sure they understand the plan, and plug them into the simple system. We will train you the right way, plug you in correctly, and give you the resources you need to earn money!

The Keys to Success:

1. *The more energy and excitement you have, the easier it will be to enroll partners.*
2. *Go to the training site **OFTEN**, and follow the training program. Team Site: www.SuccessTeamSite.com*
3. *Communicate with your key team leaders consistently.*
4. *Let Darryl and Maria Roberts know that you are ready to go after it. Our direct line is: (702) 250-2438*
5. *Don't do this by yourself, no matter how easy it is. Connect with your Key upline that is having success, which may or may not be the person that enrolled you!*

This is just the beginning. Most people see how simple this is that you will move from \$1,500 a month, to \$2,100 a month, to \$3,000 a month and there is so much more. You can earn up to \$3,200 A DAY, which is \$96,000 a month, \$1,152,000 a year. It all starts with you sharing the plan and enrolling 4 partners.
